PREPARATIONS FOR KERMES EVENING

I. S. Kermes, June 24th at the Victroy. Tickets now on sale. Vote for Goddess of Liberty—50 cent tickets 15 votes; 35 cent tickets 10 votes; 25 cent tickets 5 votes. Winning lady receives ten per cent of the proceeds of the entertainment which must be turned into the general fund for votes for herself. Everybody boost for the 4th of July. Write name of your favorite candidate on the back of the ticket. A good committee will be chosen to count the ballots.

Since all of our smart men boost for themselves through our newspapers we have no hesitancy in saying that our program this year is the best that we have ever given. We are sparing neither time nor expense in making this one grand success. With Miss Amita Peters of San Francisco and Miss Vivian Edwards, one of her best pupils, at the wheel, this cannot fail to please you. I have just returned from San Francisco with some of the latest sketches and they are certainly pretty.

Pavloira Gavotte by three yound ladies and gentlemen is beautiful. The dresses will be as pretty as we can make them as we feel that there is nothing too good for Ukiah audiences. We never go beyond our means and we boast of having so many mothers who can make pretty things out of cheap material.

The Spanish girls in black and red will be something entirely different.

The little Dutch girls in blue and white are the cutest things—you know them, they would be in everything if we cared to let them, as everyone wants them.

Then California by 12 girls in yellow and popies is just a dream—you'll like it. If the the Fourth of July committee is real good we'll loan you our pretty girls to sit around your pretty California. The audience will be reuested to rise and sing this chorus:

O, come to the 4th at Ukiah,
We'll give you a jolly good time;
We'll have lots to eat
And the music will be sweet—
Five bands will be playing all the time.
It's Potter that gives us good feeds,
And with their help combined with ours
We assure you tonight
That we'll treat you alright.
So say Potter and Ukiah.

(To be sung to the chorus of California.)

Potter, help your chosen ones by coming to our Kermes. We invite you and each ticket here will help her in the end.

MRS. SANDELIN IS INJURED BY FALL

POPULAR LANDLADY FALLS TWO STORIES WHILE INSPECTING THE CONSTRUCTION OF THE ANNEX TO THE PALACE HOTEL.

Mrs. Frank Sandelin is suffering from a badly sprained ankle as the result of a fall out of the third story of the Palace hotel. Mrs. Sandelin was inspecting the new annex that is being erected and was standing in the door. A board had been nailed across the door and Mrs. Sandelin thoughtlessly leaned against it. The board gave away and she was precipitated into space and landed on the roof of the kitchen two stories below.

Despite the distance she fell the only serious injury she received was a sprained ankle. While this is very painful she is recoverig and will be able to attend to her duties at that popular hostelry in a few days.

W. F. AGNEW FOR COUNTY RECORDER

W. F. Agnews announces himself this week as a candidate for the office of county recorder and promises that he will soon be over to make a canvass of Ukiah and the valleys in the interests of his campaign. Mr. Agnew is a coast boy and was born at Greenwood where he resided until about eight years ago when he went to Fort Bragg to accept a responsible position with the Union Lumber company. He has done work of clerical nature and is a graduate of a San Francisco business college and is amply qualified for the position to which he aspires.

He is particularly well and favorably known on the coast and has a very strong following and his friends say that he will get a very large vote in that section of the county. He has already made a flying visit through the valleys from Covelo to Ukiah and will supplement this with a personal campaign in which he expects to meet most of the voters.

Mrs. Hugh HCox is spending her vacation in Richmomnd and San Francisca. She went to Fort Bragg for a short visit and took the steamer down from there.

THIS SPECIMEN IS SOME CHICKEN—LARGEST OF LOT

A boarding house chicken is the latest development in Ukiah poultry, at least that is what Mrs. L. M. Ruddick calls it. It is a white leghorn of the purest strain six days old today and has two pair of legs and three wings. The little chick is spry as any chicken and will be given special care and will be one of the exhibits at the Ukiah Hop Festival and also at the Panama Pacific Exposition.

It has two well developed legs that it walks on and scratches with, but it has not had experience enough to use the other pair which are in front of the regular pair, so Mrs. Ruddick has them tied up out of the way. They are well developed, however, and it is possible that as the chick grows older it might learn to use both pair.

The great curiosity, however, is the three wings. Two of the wings are placed in the ordinary position and resemble the wings of the ordinary six day old chick. The odd wing is located on its breast and comes out just below its crop. Many people have already visited the Ruddick ranch to view the little freak and while chickens with more than the ordinary number of legs are quite common no one has ever seen one with three wings.

This is not Mrs. Ruddick's first exeprience with freak chickens as some twenty years ago she raised a hen with four legs, two of which were located on her back. The hen lived for seven years and was one of the best layers in the flock of brown leghorns. Despite the deformity of the mother her eggs hatched and produced normal chicks.

Mrs. Ruddick laughingly states that she will now try to develop a tamale strain of chicks—one with either a very log neck or several short ones. The present chick, however, would help solve the high cost of living as any one could afford chicken if one fowl furnished four drumsticks and three wings besides the ordinary amount of other meat. On the other hand just think what such a chick could do to the neighbors flower garden.

EDITOR J. B. SANFORD GETS APPOINTMENT

UKIAH IS AGAIN HONORED BY DEMOCRATIC ADMINISTRATION AND EVERYONE JOINS IN CONGRATULATING SENATOR ON HIS SELECTION.

State Senator J. B. Sanford has been appointed register of the United States land office at San Francisco to succeed T. G. Daniells whose term will expire next month. The salary is $3000 a year. It is reported that this means that Sanford will be out of the running in the governr fight.

Senator Sanford has been editor of the Dispatch for a number of years and is a member of the democratic national committee and has won prominence as a leader of the minority party in this state. As long as the job had to go to a democrat the Press is glad that it was handed to Senator Sanford and the people of Ukiah and Mendocino county generally will join us in congratulating him.

MOTHER AND FATHER PASS TO THE GRAVE

STUNNED BY THE DEATH OF HER HUSBAND WIFE FOLLOWS HIM TO THE GRAVE WITHIN A FEW HOURS—BURIED SIDE BY SIDE.

Redwood Valley was shocked by the sudden death of Mr. and Mrs. Silverthorn last week. Lemuel Silverthorn dropped dead on the porch from heart failure Saturday morning. Mrs. Silverthorn did not recover from the shock of her husband's death and passed away Sunday evening within 36 hours of the death of her loved one.

Mr. Silverthorn had been in his usual health but his wife had been ailing for a short time. The bodies were brought to this city and the funerals were held Monday afternoon, Mr. Silverthorn's being conducted by the Masonic ladge and that of his wife by the Eastern Star lodges.

They came from Indiana to Calpella about four yeas ago where they bought a ranch. Mr. Silverthorn was appointed postmaster at Calpella and held the position for a short time and then resigned. They were both good nighbors and were held in the highest esteem by the residnts of Redwood Valley and Ukiah.

The surviving children are Mrs. O. D. Coppage of Beowawe, Nevada; J. L. Silverthorn of Bisbee, Arizona and Wesley Silverthorn of Redwood Valley who had resided with his parents. The children were all here to attend the funeral.

THE PROGRESSIVE FARMERS OWN ROAD

THEY EXPECT TO GRAVEL IT AND PUT IT IN EVEN BETTER CONDITION THIS FALL—A BEAUTIFUL DRIVEWAY.

A very noticeable improvement in road construction is the boulevard built by the farmers from the Clark ranch to the Ruddick ranch. While this road is a private thoroughfare it has been open to travel for the public for years and is a favor'te auto drive. It had been in poor shape but last fall the farmers decided to improve it. They threw it up to grade and leveled it and today it is one of the best roads in the county, being as smoothe and hard as the state highway. A move is on foot to have this road deeded to the county so that it can be worked and kept up out of the county funds. The Ukiah farmers are progressive and these particular farmers not only deserve the congratulations of their neighbors but the thanks of all. Their road is better than the parallel county road and leads through the richest part of the valley. If it could be sprinkled and the remainder of it opened it would be the main traveled road on the other side of the river.

BARRIER RAISES AT 8:30; THEY'RE OFF

The Booster run to Hopland, Alder Glen Springs, McCrays and Cloverdale promises to be even a bigger success than the run to Lake county. This is to be the last run until after the 4th of July and those who are promoting the affair urgently request that as many as possible participate. The roads are excellent, and a good time and a warm reception is promised all along the line. This hanging together and all boosting for the common welfare is what has made the Southern part of California and it is an absolute certainty that if we, who live in God's own country, will only stick together and boost for Ukiah in particular and Mendocino county in general it will only be a matter of time until we too will go ahead and get our share of prosperity. These little family booster runs are but the beginning of bigger things that are to come and for that reason they should be made as successful as possible so as to keep the Booster spirit alive. The program for Sunday will be to leave Ukiah at 8:30. Assemble at the hotel at Hopland at 10. Leave Hopland at 11. Arrive at Alder Springs at 12. Picnic there, and those who do not desire to picnic will proceed to McCrays for lunch. Join forces again at McCrays at 2:30 and then on to Cloverdale.

MAP WILL BE VALUABLE

A. J. Sturtevant, Jr. of the California Development Board arrived in Ukiah this week and is working on the map which is being prepared for the State, showing climatic conditions, crops, methods of cultivation and conditions of agriculture. A complete survey wil be made of Mendocino county and he has already visited the coast section. The maps will be issued in time to be distributed to prospective settlers who attend the P. P. I. E. It will undoubtedly prove of great value.

BOONVILLE INVITED TO THE CELEBRATION

REGRETTED THAT IT MAY NOT BE POSSIBLE FOR THE UKIAH BOOSTERS TO VISIT ANDERSON VALLEY BEFORE THE FOURTH.

It is to be regretted that the Ukiah boosters for the Fourth of July may not be able to visit Boonville and extend an invitation to the residents of Anderson valley to join in celebrating the Fourth here. While it was planned to visit as many of the surrounding valleys as possible before the 4th, the time is getting short and it is some job to get the autoists together and get a run started. However, the Ukiah people extend a cordial invitation to the Anderson people and will expect them to come over. Special pains will be taken to extend the hand of welcome when they arrive and see that they have a good time.

WANT ADS GET BUSY

Frank Sandelin says that Press want ads will sell anything. A couple of weeks ago he advertised a refrigerator and sold it and had so many enpuiries that he concluded to advertise a pistol that he had in stock. This also proved a drawing card and Joe Weselsky bought it. Joe was so pleased with the bargain that he decided to try a want ad himself. Look in the want column and see what he is advertising.

UKIAH DAY PROVES POPULAR AT LAKES

SEVERAL HUNDRED PEOPLE SPEND THE DAY AT BLUE LAKE AND MANAGER KEMP SUCCEEDS IN MAKING HIMSELF POPULAR AS A HOST.

Ukiah day at Blue Lake was observed Sunday by a large number of Ukiahites. Besides countless autos, four trucks loaded with passengers made the trip, and every one spent the day on the shores of this picturesque body of water. Manager Kemp was always on hand to see that no one was neglected and a splendid meal was served. There was over 100 Ukiah people in the dining room at one time and it was filled several times. The only casuaity reported was when Mayor Tom Farrance assisted by Mox Weiss and others murdered a rattlesnake with nine rattles and two buttons. Those who were on knew that the snake was a pet and had been on exhibition for years to guests but there was no convincing Tom, as he has been from Nantuckett to Mexico and has seen all varieties of snakes and sea serpents and insisted that it was a wild one.

BURGULARS ENTER RAILROAD DEPOT

Sometime Wednesday night or Thursday morning the Northwestern Pacific depot at Ukiah was entered, the burgulars breaking out the front window. The ticket drawer was pried open but nothing of any value has been missed. The principal damage was the breaking of the window. The safe was not bothered. It is thought that the burgulars were amateurs and were frightened away before they had time to attack the safe.

CIVIL SERVICE FOR ASYLUM

All of the employees of the State hospital are to be put under civil service and will take examinations in San Francisco. Previous service will be given a liberal allowance in credits. Applications for examination must be filed in Sacramento not later than July 1 for walters and laundrymen and by June 20 for bakers and cooks.

SAN FRANCISCIAN FALLS DEAD HERE

WAS BEING SENT TO FRIENDS IN THE CITY BUT PASSED AWAY WHILE WAITING FOR THE TRAIN—HAD BEEN IN LAKE COUNTY.

A. Straub, Jr., of San Francisco fell dead at the depot Tuesday noon while waiting for the south bound train. He had been visiting at summer resorts in Lake county, but his appetite for liquor had got the best of him and he was taken to the county farm here. It developed that he had relatives in San Francisco and he was sent to the train in charge of Deputy Sheriff McGimpsey. While they were waiting for the train McGimpsey looked around and found that his charge had passed away.

WAYNE CRAWFORD NEARLY LANDS A SPIKE BUCK

Wayne Crawford of Largo has the best deer story yet. Deer are very numerous on the Crawford ranch and when he was cutting his hay there were several that refused to leave thme field. One spike buck was of a particularly friendly disposition and refused to be driven away from the mowing machine. Wayne finally gave up the attempt to drive him out of the way and in running around the machine he got tangled up in the cutter in some way and one of his fore feet was amputated. This was enough and he jumped the fence and took the other deer with him. Wayne says that he will keep an eye open and perform a capital operation on him as soon as the season opens. He figures that his being crippled will prevent him running the fat off and that he should be in prime condition. John Cooley of Cloverdale occasionally kills a deer with a picket; Bob Jones of Vichy has a record for running over them with autos; Dr. Hudson and game Warden Miller are noted for scaring them into fences and breaking their necks; L. C. Stephens of Calpella gets them with a pistol; Shy Ackerman and Bill Melton run 'em down and cut their throats; Recorder Holbrook, Treasurer Johnson and Attorney C. M. Mannon occasionally get one with a gun; Steve Busch occasionally runs one into a pool of water and holds his head under until he drowns; but for originality in deer hunting Wayne holds the record for going after them with a mowing machine.

T. M. CLELAND WILL RUN FOR TREASURER

POPULAR MERCHANT DECIDES TO GET HIS HAT IN THE RING FOR A COUNTY OFFICE—HAS BEEN TOWN TREASURER FOR FIVE YEARS.

T. M. Cleland has been unable to resist the temptation to get his hat in the ring and so announces himself this week as a candidate for the office of county treasurer. Mr. Cleland is wellknown throughout the county and has held the office of town treasurer of Ukiah City for five years, having won two hard fights for the office against strong men. He has spent most of his life in this county and for a number of years was a farmer, some years ago moving to Ukiah and engaging in business.

He is a hard worker and has always been prominent on committees for the wellfare of the town. He is amply qualified for the position and should he be elected would undoubtedly make an ideal official. He is good natured and a pleasant gentleman to meet. He promises that he will make a personal campaign and will endeavor to visit all sections of the county.

HOLLANDERS TO COME

N. W. Kleyn-Schorrel returned last week from Holland where he has been for several months visiting relatives and interesting people in Mendocino county. He reports that he has succeeded in convincing a number of families that Mendocino county is an ideal place to live and that he will have them come here before long to locate.

THOS. B. DOZIER ORATOR FOR 4TH

Attorney Thos. Dozier of San Francisco has accepted an invitation to deliver the oration here on the Fourth of July. The committee was fortunate in securing the services of an orator of such ability and this should be a drawing card for the celebration.

ROLL OF HONOR

This ROLL OF HONOR is published with a view of impressing the pupils of the public schools of Mendocino county with the fact that the man or woman who makes a success of life is the worker. It is hoped that seeing the names of the leaders of the classes published each month will inspire others with the desire to become leaders. The names of the pupils who appear in this ROLL have all stood over 90 per cent. Those standing over 95 per cent will have their names printed capital letters. If any pupil in the county stands perfect in any monthly examination their picture will be published in the ROLL OF HONOR.

HARDY, June 13.— Ukiah Press— Enclosed are the names of the pupils for the Roll of Honor from Sea View District. The pupils have taken much pride in the fact that their names are to be placed upon the Roll of Honor. Yours truly, Rachael Werner.

IF there is any doubt as to the political complexion of California it ought to be dispelled by the latest registration news from the Secretary of State's office under date of June 9th. All of the fifty-eight counties of the State had been heard from, with this result: Republicans, 346,662, or 49.4 per cent of the total; Democrats, 182,316 or 26 per cent; Progressives, 172,857, or 24 per cent. Republicans have better than two to one against the Progressives, and almost two to one against the Democrats.

The Word Cocoanut.

It really should be "coco-nut," but custom compels the inclusion of that superfluous "a." The term coco or cocoa by which the nuts are known is said by several authorities to be of Portuguese origin, and the derivation is quite out of the ordinary. According to Bauhin, cocoa or coquhen is derived from the three holes at the end of the nut, giving it the resemblance of a species of monkey. Another writer, Piso, would have us believe the name is due to the sound emitted when air is blown into one of the holes of the nut, it being likened unto the voice of an ape. The Portuguese for monkey is macaco or macoco. Perhaps the best explanation offered is that "coco" means a grin or grimace, for the three eyes of the nut certainly convey the impression of a hideous laugh. For the unnecessary "a" the blame has been laid on the head of a careless proofreader, who allowed the name in its present form to creep into Johnson's dictionary, although the learned doctor had used the correct spelling.—London Telegraph.

Good Discipline.

"Our American militia is the best in the world," said the president of the Descendants of the Signers.

"How strict it is! During the annual encampment of our Virginia militia a private was riding one hot day on a trolley car with his uniform coat unbuttoned. This caused a sergeant on the smokers' seat behind to say:

"'Button up that coat! Haven't you got any sense of military decency at all?'

"But here a gentleman on the left interfered, saying to the sergeant:

"'How dare you give commands with a cigar in your mouth? I'm Major Fitzhugh Calhoun.'

"At this point an elderly gentleman, with a white military mustache leaned over and murmured in the major's ear:

"'Colonel Brewster Fairfax is sorry to remind you, sir, that to scold a sergeant in the presence of a private is a military offense hard to overlook.'"—Washington Star.

Our Limitations.

There are noises louder than thunder which we cannot hear, the roar that lies on the other side of silence, writes Frank Harris in "Unpath'd Waters." We men are poor, restless prisoners, hemmed in by our senses as by the walls of a cell, hearing only a part of nature's orchestra and that part imperfectly, seeing only a thousandth part of the color marvels about us and seeing that infinitesimal part incorrectly and partially.
